Dear Parents and Children,

It has been wonderful to see so many of you sharing your learning at home with us and each other. It has been really positive keeping in touch and joining in with school daily challenges on dojo (for KS2) I think today's daily challenge of tidying up will prove to be very popular with parents. We have all enjoyed seeing your photographs. I decided to enter myself and tidy the staffroom, I hope everyone will be able to find where I have stored everything.

DB Primary seems to be working well, particularly the class and whole school blogs. We will be sharing the next achievement assembly on Friday, log in to find out if it is you. Please can you use the secure school DB Primary at

Joe Wickes—Daily Workout

I can see that the Joe Wickes daily workout has been extremely popular across the school. You will all be in great shape when we all get together again. If you haven't joined the daily workout it can be found here:

Oti Mabuse Dance Workout for Children

We thought some of the children may prefer to try out the Oti Mabuse character dancing on

We hope you build in some time to relax and enjoy the Easter holidays as a family. If you think of any creative ways of spending your time please share with us on dojo or DB Primary blogs. Stay safe and we are all looking forward to being together again as soon as we can.
