# News Bulletin

Dear Parents, Thank you for your support with remote learning, it has been lovely seeing the work uploaded onto TEAMS. I hope the children are enjoying the weekly meetings with their teachers and that they are using this as an opportunity to talk about

their work and how they are managing. Hopefully everyone managed to access the meeting through the calendar invite on their child's team. Please let us know in school if you are having difficulties. We hope the children are able to upload their work to share with their teacher in the work drop folders. It is a learning curve for everyone and we fully understand how hard you are all working during the pandemic. Hopefully this will not be for long and we can all be together again soon.

#### Public Generosity

We are all feeling overwhelmed by the generosity of the public and the kindness they have shown to wards out children. We have had over 300 brand new books bought for us and delivered to the school this week. We are currently preparing them all ready to go out to the children as a special home learning book to keep. We will let you know as soon as they are all ready for collection. A special thank you to Mr Grocott for advertising this on behalf of the school. Kindness is just what we all need at the moment when everyone is working so hard and under so much pressure.

# School Gallery

We would like to share some of the lovely pieces of work completed by the children at home and at school:

Well done to the creative children from Acer class who have been busy constructing 3D bees as part of their science work. They are very impressive.

Lovely work completed by Sophie in KS1

Lovely writing at home from Pippa in foundation

Leaf art work completed at home by Riley in Maple Class.

### Stars of the Week

We are delighted that we are still able to celebrate the children's achievements in the star of the week assemblies. The assemblies take place virtually for the children in school and we are able to record these to share with all of the children via TEAMS.

A link will be placed on your child's post page in their class team. If you click on the link then a notification e mail will be sent to school to enable the children to access the assembly. We hope everyone enjoys the celebration.

Each week there is a star of the week for children working in school and at home.

Holly Class: Blake and Isaac
