

# Wood Ley Community Primary School

## Pupil Well-Being Survey February 2021

### 90% of the pupils said :

“ It is recognized when we are kind and we are rewarded at our school for showing the school values and being kind.”

**100% of the** pupils felt Wood Ley was a friendly school.

**98% of the pupils** stated that they enjoyed school

**95% of the pupils** knew what bullying meant and they felt that bullying was taken seriously at our school.

**97% of pupils** felt if they were worried or upset there was someone at school they could talk to.

### Some of the things the pupils said:

I enjoy school and it's a nice place to be

I miss all of my friends and teachers at school

I like it because it is fun.

Very happy child at this school

This is the best school

I have received the star of the week and the leaf for school value.

This is a good survey

**95% of the pupils** enjoyed playtimes and felt that they played well with others, knowing how to take turns and get on with others.
