Dear Parents and Children ,

It has been lovely to see so many children back at school over the past few weeks. I am delighted with how well they have settled into school and have been able to follow the guidelines to keep everyone safe. The children have been organised into kingdoms, different challenges are being set between the kingdoms to maintain our sense of community. I have attached some pictures to show you the latest kingdom challenge— "who can make the most magnificent throne." The children and staff enjoyed taking part and the results are amazing.

School Reports

The summary school reports will be sent out via parent mail over the next 2 weeks. If you have issues you wish to raise or discuss about the school report then we have timetabled telephone consultations with staff. Further details will accompany the school reports.

Looking forward to September

We are awaiting guidance from the government to clarify arrangements for schools in September. Currently the plans are to be open to all year groups at the start of the new school year. As previously communicated we wish the children to return to their old classes in September to enable us to support them through transition to their new classes. Once we have received and analysed the government guidance we will be able to share our plans for organising the children in to their new classes.

Reminder— we will continue to provide work for the children via tapestry (foundation) parentmail (KS1) and Dojo (KS2). Printed workpacks can be collected each Monday for those of you who have requested paper copies.

Supporting Children and Their Families

A link which you may find useful if you or your family is experiencing difficulties:

A consultation helpline for emotional wellbeing and mental health issues relating to children and young people. <https://www.suffolk.gov.uk/children-families-and-learning/suffolk-children-and-young-peoples-emotional-wellbeing-hub/> Call 0345

600 2090, available Monday to Friday, 8am to 7:30pm.
