Dear Parents,

I am sure you are all looking forward to half term, everyone will get the opportunity to recharge their batteries for the second half of the summer term. We are attempting to encourage the children to be more active this month. We have booked a series of sports workshops for the children to enjoy after half term. They are listed on the last page of the newsletter. We hope they have fun and find them interesting

### Virtual Maths Workshop

We hope you enjoyed the maths workshop Mr Grocott shared with you on the school web site.

We usually invite families to join in lessons with their children across the school, however we are unable to do this at the moment so a virtual workshop was designed in place. We hope it gave you a taste of how maths is taught at Wood Ley .

### Exciting Building Plans

We are delighted to share with you our plans for two long awaited extensions to the school. An additional classroom is planned to join onto the year 5 /6 building which means we will be able to have extra teaching and learning space for the older children. We have waited a very long to be in a position where we are able to bring our ambitions to life and we are very excited about the impact it will have on the children's learning and experiences.

The second project is for the foundation stage . The children will enjoy an all weather garden room extension, pictured here. This will create additional space for them to use all year around.

## Star of the Week

We are delighted that we are still able to celebrate the children's achievements in the star of the week assemblies. The assemblies take place virtually and the children can join in the celebrations from their classrooms.

Well done to the students who received star of the week in May, we are all very proud of you.

### SEND Drop In Thursday 24th June

Mrs Spinks is looking forward to speaking to parents at the next SEND drop in session, this will be held by telephone consultation. If you have issues you would like to raise with Mrs Spinks at the drop in please could you e mail her to arrange an appointment for the day.

### PTA Cook Book

Thank you to the parents who have e mailed in their favourite recipes for our school

#### Recipes for sharing

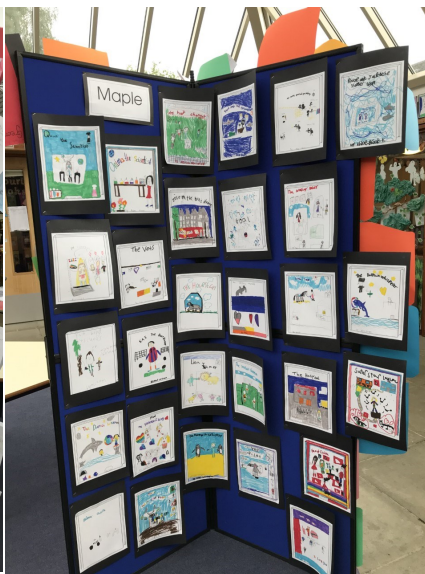

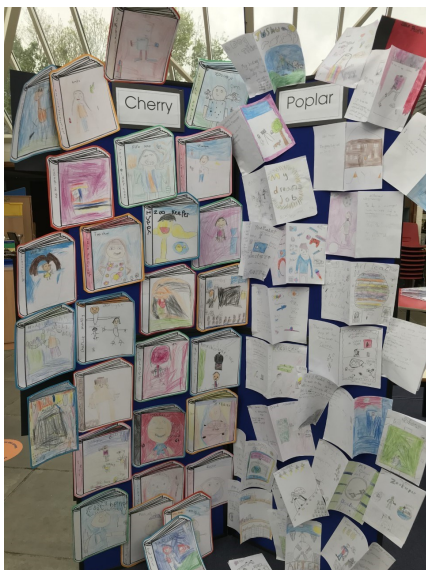

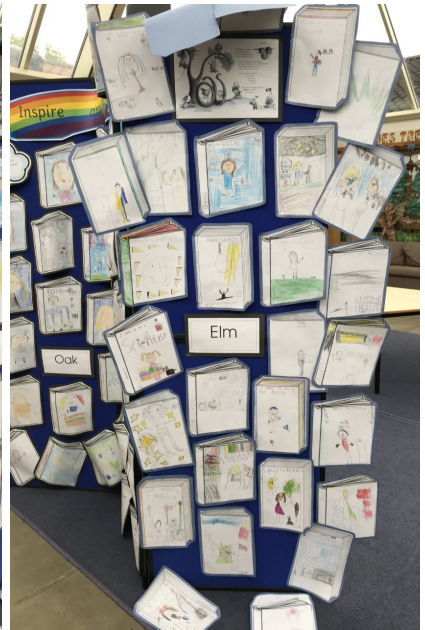

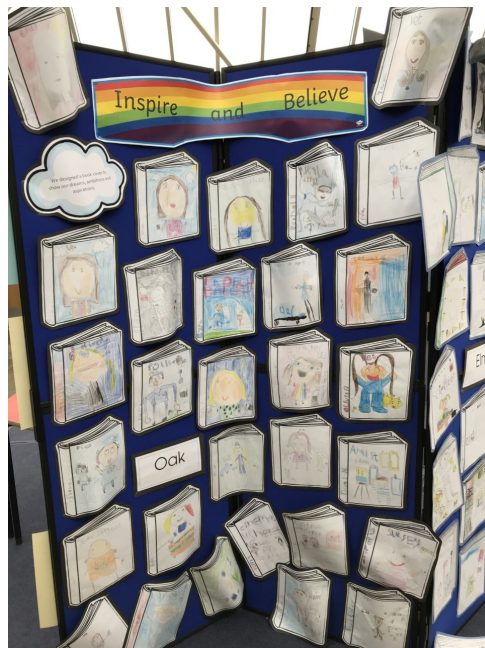

community cook book. We would love to receive more to add to the collection. If you want your recipe to appear in the book alongside a photograph please e mail it to us at [admin@woodley.suffolk.sch.uk](mailto:admin@woodley.suffolk.sch.uk). We are looking forward to trying some of the recipes and sharing them with you as tasters at our Friday Night Takeaway event in July.
