School Competition

Rachel Jane, our visiting author, kindly donated copies of her book and your child has a chance of winning one! The children are invited to write a short story explaining where one of the camper van's next adventure might be to. Entries should be given to Miss Kay by the 18th of October. Good luck!

School Librarians

The new school librarians have received their badges. Miss Kay is looking forward to working with them regularly to launch book clubs with the younger children at lunch times, writing competitions and incentives to increase the time that your child reads. The librarians will be an asset to our school library and we are very impressed with their enthusiasm so far!

Christmas Book Advent

We know that it is very early to be mentioning Christmas. However, every year Miss Kay organises a Christmas book advent across the school. Every child will receive a book in December, which promotes a love of reading throughout the festive period. If you would like to donate unwanted children's books towards this project, we would be very pleased. Thank you

Summer Reading Challenge

We are incredibly proud of every child who took part in The Wood Ley Reading Challenge. The children, who took part, received a certificate and special book in assembly. We would like to say a huge congratulations to the 27 pupils who took part in Stowmarket library's Reading Challenge too. We were very pleased to find out that Wood Ley pupils were amongst the most to take part when compared with other local schools. Why not set your child their own personalised reading challenge? This could include: reading for 20 minutes every day, reading one book a week or visiting the library once a fortnight. The more your child reads, the more exposure they will have to varied language and ideas for their own writing.
