Dear Parents and Children,

I hope you are all keeping well, it has been lovely to speak to some of you, please contact school if you need any advice or assistance. We have been preparing paper copies of work for families who are finding it easier to work in this way, work can be collected from the school office each Monday. If you would like printed copies of activities, please let us know and we will add you to the list. There are blank exercise books available at school if you need additional writing materials, please feel free to collect one.

We have been in contact with the local High Schools this week and we will be sending the information they have requested off to them. If your child is in year 6 and planning to attend Stowmarket High School in September, please could you email in with their friendship choices if you have not already done so.

We have received some very positive feedback about the BBC Bitesize daily lessons, which include some interesting wild life and art sessions. I have included the address below.

Please do not worry if your child is not completing all of the work which is set for them. We are providing resources to support them and we completely understand how busy everyone is.

Homework Help for Parents

The BBC Bitesize daily lessons are proving to be very popular, in particular the science and geography session.

<https://www.bbc.co.uk/bitesize/primary>

The government Oak National Academy site has some extremely useful lessons which many of the children are enjoying:

Contact us if you need support, we are here to help.

The school office will be open from Monday-Friday 8.30-3.30,
