Dear Parents and Children,

I hope you enjoyed our message to you on the school website. It is safe to say that we are all missing you very much and are looking forward to seeing you again. We will be in contact about re opening the school as soon as we are given information from the

government. I hope your home learning is continuing to work successfully, I know it is becoming increasingly difficult to motivate the children as time presses on, I hope you can take some comfort in knowing many families are feeling the same and completing what they are able to manage. Teachers are continuing to post online work for the children via DB Primary and dojo for KS2 pupils, DB Primary and email for KS1 pupils and DB Primary and Tapestry for foundation pupils. We are printing work packs for children who are unable to access on line learning, please ring the office, if you have not already done so , to be added to the list if you would like a work pack. Packs can be picked up from the office each Monday.

Baby News!

We are delighted to share with you that Mrs Upson is having a baby. We are very happy for her and we are looking forward to meeting her new arrival soon.

On Line / E safety

Thank you for responding to the parentmail survey about online safety, we are pleased that the vast majority of you use parental settings and discuss online safety with your children (98%).One of the e safety risks highlighted by the survey was on line grooming. We have attached some advice and guidance from National On Line Safety Team as support.

If you would like to share anything with us for the newsletter please e mail at admin@woodley.suffok.sch.uk .

We are planning our next achievement assembly for Friday 15th May, it is a lovely opportunity to connect with our families and celebrate the great things you are doing together. if you have any special "Shout Outs," you would like to mention, we would be happy to share that for you. E mail at admin@woodley.suffolk.sch.uk or call school.
