Dear Parents and Children,

It has been lovely to see some of you this week, from a distance of course, whilst collecting work from school. I know it has been an incredibly stressful week following the announcement of schools potentially opening to reception, year 1 and year 6 pupils in June. I hope my letters have explained what we have put in place if the children do return to school should you decide to send them. Our main objective is to keep the children and staff as safe as possible, taking into consideration the size of classrooms, hand washing facilities, possible movement of children as they enter and leave rooms we have had to set strict rules and boundaries. The children, should they return, have been placed into small groups to limit contact they have with others, including adults. It is not ideal and completely opposite to the ethos of our school but under the current circumstances this is what we have had to do to keep everyone safe. Unfortunately we will need to stick to the groupings we have organised for the reasons given above.

Brighter Times Ahead

Looking forward to September, my aim is when the children return, I would like them to return to their current class. I feel this would be good for their wellbeing after being out of school for so long. We will be able to support the children to transition into their new classes once they are settled back into school. I hope this will come as a comfort to the children and yourselves. Sadly, this will not be possible for our current year 6 children, however, we plan to hold a farewell party for them after school as soon as we are able to do so, following government guidelines. We will stay in touch with our year 6 families, you will not leave Wood Ley without being able to say goodbye to everyone.

Contact us if you need support, we are here to help.

The school office will be open from
Monday-Friday 8.30-3.30 ,

Reminder—If you have requested a work pack, they will be available from the office each Monday.
