Dear Parents and Children,

I hope you had a lovely weekend and enjoyed the sunshine, let us hope there is more sunshine to follow and the children can enjoy being outdoors.

As a follow on from my previous letters, in preparation for the planned opening of schools for the pupils in reception, year 1 and year 6, there are a few more details I would like to share with all of you:

1. Weekly work drops will continue for all year groups during this time. As all staff will be in school, year 6 will revert to weekly work drops in line with the rest of the school. Work will continue to be shared using the regular on line platforms. If you have requested, printed copies can be collected from the school office each Monday.
2. The work the children will be completing in school will match the work sent home, therefore, in the case of year 6 please can you access BBC Bitesize daily lessons instead of the daily Oak Academy lessons. This will avoid work being covered out of sequence.
3. Weekly challenges will continue to be set on dojo and staff will be looking at these at the end of their working day. Please can you revert to contacting school via the school office or e mail at [admin@woodley.suffolk.sch.uk](mailto:admin@woodley.suffolk.sch.uk) to enable us to answer your questions as quickly as possible.
4. We need to limit the transference of equipment to and from school, therefore we are providing all of the equipment the children will need in a named tray. Children will not be able to bring in their own pencil cases and book bags will not be needed. Of course, if your child has a home packed lunch then their lunch box can be placed in their own daily tray.

I will continue to update you with any changes and I look forward to seeing everyone again soon.

**Contact us if you need support, we are here to help.**

The school office will be open from Monday-Friday 8.30-3.30 ,

**Reminder**—If you have requested a work pack, they will be available from the office each Monday.
