Dear Parents,

We hope you had a wonderful Christmas and New Year and enjoyed spending the time as a family. We hope that we will remain healthy and safe this term as we are looking forward to starting the new topics planned.

### Christmas Hamper Winners

Thank you for your generous donations for the class Christmas hampers, they were splendid and we raised over £900 for the children. We are hoping to use some of the money for our sensory and mindfulness areas and for forest school resources. We hope the lucky winners enjoyed the hampers:

### Pick Up Sticks Playtime

We are delighted to see that the pick up sticks playtime climbing equipment is finally being installed over the next few days. The children voted for this equipment pre lockdown and due to difficulties with shortages of materials it is now being constructed. We are certain the children will enjoy exploring this new piece of equipment which will be added to the existing adventure trail.. A new safety surface is being added which means the children can use this piece of the adventure trail all year around.

### New Building Finally Under Construction !

As you will have seen there is a lot of building activity happening at school at the moment. Apart from the continuation of the roof replacement, the construction of the extension to the year 5/6 building has finally begun. Thank you for your support and co-operation moving around the school site while this all goes ahead.
