

Reading Newsletter

Does your family make resolutions for the New Year? This year, why not make it a goal to read more books together? There are lots of fun ways that you can work on reading more books as a family. As a school, we recommend that your child reads for at least 20 minutes per day, five days a week.

Here are some achievable resolutions that your child could try:

- Visit your local library every fortnight.
- Read to an adult every day.
- Read at least one book per week.
- Read a book that is also a film.
- Read a book related to each of the subjects that you study at school.
- Read a biography.
- Create a journal to record the books that you read.
- Read a book that your parent or friend recommends.
- Making a reading den in your house.
- Read one magazine per month.
- Follow a recipe once a month.

Would you like to donate a book to your child's class? By following the links below, your book will be sent directly to our school. You can even include a note to your child's class!
