

Service Pupil Premium Strategy Statement 2023 - 2024

1. Information					
School	Wood Ley Community Primary School				
Academic Year	2023 - 2024	Total SPP Budget 2023-2024	£2,010	Date of most recent PP Review	April 2024
Total number of pupils	312	Number of pupils eligible for SPP	6	Date of next review of this strategy	September 2024

Funding context:

Service Pupil premium is given to schools by the Government to support pupils with parents in the regular armed forces

Overall aim:

At Wood Ley Community Primary School our aim is to ensure that no children are disadvantaged at school in any way. Our focus with service children is to ensure no child is disadvantaged due to the service of their parent.

We use our Service Pupil Premium to contribute towards the following:

- Monitoring of service children's progress compared to the wider school population to ensure that they learn, develop and achieve their own expected level of progress
- Intervention strategies and support are put into place to support their learning
- The provision of a welfare officer to provide pastoral support and guidance for families
- The provision of a specially trained ELSA (emotional Literacy Support Assistant) to carry out support to work with individuals to build social skills, self-esteem and develop positive attitudes to learning.
- The provision of nurture groups and social skills groups to offer mainly pastoral support during challenging times and to help mitigate the negative impact on service children of family mobility or parental deployment.
- Forest school activities to provide a different experience: the children have the opportunity to learn outdoors and this has provided great chances to develop children's self esteem and confidence. It also provides an outlet to provide emotional support for children who need it.

As with everything we do at school the measures put into place do make a positive difference. They help to ensure that our service children become tolerant, caring and well rounded individuals with the skills to enable them to learn, develop and progress.

2. Desired Outcomes		
<i>Desired outcomes and how they will be measured.</i>		<i>Success criteria</i>
A	To provide a nurturing environment to develop social and emotional skills.	<i>Pupils being supported through nurture groups and social skills groups have good attendance. Identified pupils develop resilience, become more confident, able to communicate effectively.</i>
B	Pupils will be engaged in their learning and feel supported in school enabling them to progress well.	<i>Additional emotional support is accessed through ELSA groups, friendship club, liaison with the Welfare officer at identified times of need. Pupils will be tracked during pupil progress meetings and general teacher assessment. ELSA referrals will be made if and when necessary.</i>

5. Planned Expenditure 2023- 2024 (covering academic year 2023-2024)

Provision	Who it is supporting	Premium Category	Costs	Outcomes
