

WHAT OUR PUPILS SAY

Quality of Education: Learning

I enjoy my lessons, I love writing and I can tell I am getting better (6)

Adults help me when work is tricky by modelling on the board (Y6)

The teachers show us what to do before we try it ourselves (Y1)

The teachers and teaching assistants help us to learn, they show us what to do not tell us because it is important we learn to think for ourselves (Y5)

Science is my favourite, the work feels just right. (Y4)

It helps me to learn when the teachers show us what to do before we do it. (Y2)

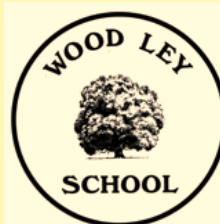

I like to work in a clam classroom with my friends (Y4)

I like doing maths and counting up to big numbers. (Y1)

The grownups help me. (Y1)

I am happy with my work, I know that I am doing well and that makes me proud.(Y6)

The adults help us to learn , they model on the board and go through the steps. (Y6)
