Dear Parents and Carers,

As we reach the end of another incredibly busy and successful school year, I would like to take this opportunity to thank all of our children, families, staff and governors for their continued support throughout the year. Working together as a school community has enabled us to provide so many wonderful opportunities and experiences for our children.

This term has been particularly busy, with sporting competitions, educational visits, performances, fundraising events, transition activities and many exciting learning experiences taking place across the school. It has been a pleasure to see our children embrace every opportunity with such enthusiasm, resilience and determination. We are immensely proud of all they have achieved, not only academically, but also in the kindness, confidence and respect they demonstrate every day.

National Sports Week—Monday 6th July

We are looking forward to celebrating **National Sports Week**, which begins on **Monday 6th July**.

Throughout the week, children will have the opportunity to take part in a range of exciting sporting activities, workshops and taster sessions designed to inspire them to try something new and discover new interests.

As well as enjoying our annual Sports Days, children will have the chance to experience activities such as **archery, cricket and skateboarding**, alongside a variety of other fun challenges. We hope the week will encourage every child to be active, build confidence, develop new skills and, most importantly, enjoy participating in sport.

To make things easier, **children are welcome to wear their school PE kit throughout the week** so they are ready to take part in all of the planned activities.

All activities are, of course, **weather permitting**, and we are keeping our fingers crossed for a week of sunshine without the extreme heat!

Our PTA Pre-Loved & New Uniform Sale will take place on **Monday 13th July at 3.00pm in the school hall**. This is a fantastic opportunity to stock up on school uniform ready for **September**, whether you're replacing items that have been outgrown or simply preparing for the new school year. A wide selection of quality pre-loved uniform, along with new items, will be available at great value

Every purchase helps to support our **PTA**, with all proceeds going directly towards providing additional resources and experiences for our children.

Fundraising Making a Difference

We are delighted to share that work will begin at the start of the summer holidays on two exciting projects that will further enhance our school environment.

Our new **Mindfulness and Wellbeing Area** will provide a calm, welcoming outdoor space where children can relax, reflect and support their emotional wellbeing. We are looking forward to seeing this special area become a valuable resource for all of our pupils.

At the same time, our **computer suite** will undergo a complete refurbishment, creating a modern, inspiring learning environment equipped with brand-new technology. This exciting investment will provide even greater opportunities for children to develop their digital skills and enhance learning across the curriculum.

We can't wait to welcome everyone back in September to enjoy these fantastic new facilities!

Year 6 Production – *Wonka*

Excitement is building as our Year 6 children continue to rehearse for their end-of-year production of **Wonka**. It has been wonderful to hear the fantastic singing echoing around the school and to watch the children grow in confidence as they learn their lines and bring their characters to life.

The children have been working incredibly hard to prepare a performance that will entertain family and friends at their final primary school production on **Tuesday 14th and Wednesday 15th July**. We are extremely proud of their enthusiasm, commitment and teamwork, and we know they will put on a truly memorable show. We can't wait to see them shine on stage!
